

HAYMET MAKİNA

TURKEY'S INNOVATIVE MARKET TRAILER.

www.romorkburada.com

Our company, which was established in Sakarya in 1989, moved to Kocaeli in 2005 as Haymet Makina and started to operate in its current location. It serves you with 500 m2 office area, 800 m2 production area, 900 m2 showroom and 1400 m2 warehouse. We have become a solution partner to our customers by producing quality and durable products with CNC Machine Park. Without being dependent on outside, it makes its productions by designing its own experienced and expert staff. Thanks to its engineers and R&D personnel, it has received the trademark registration certificate in 2011 with the projects that have been innovative and all strength tests have been carried out, and the production is carried out in ISO 9001 standards.

Our products we export to 12 countries in Europe, Africa and the Republic of Turkey is used in We started to produce Agriculture and Agriculture tools in line with the needs of our country. Poultry Equipment, provender Factory equipment, Renewable Energy Fertilizer studies have been carried out. As Haymet Makina, we manufactures all kinds of special trailers between 1.5 tons and 20 tons completely within our own structure without any problems.

It was established in 2019 in Uzbekistan and in 2020 in Kazakhstan, **HAYMET AGRO** company provides services on trailers and equipments. At the same time we took our place in domestically that Turkey Market. Our first priority is to respond to the expectations of our customers with quality and stability in all our products. It is our most important duty to be stand by our customers before and after the purchase.

▶ 1 TON DUMPER TRAILER

TECHNICAL SPECIFICATIONS

LOADING CAPACITY	1.000 KG
